## CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL

1071– CPR – 1830

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

**Components for steel structures**  
**according to EN 1090-2:2008+A1:2011**  
*(products and processes as listed in the appendix to this certificate)*

produced by  
**Øysand Stål AS**  
Buvikvegen 626, NO-7350 Buvika, Norway

and produced in the manufacturing plant  
**Øysand Stål AS**  
Buvikvegen 626, NO-7350 Buvika, Norway

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

**EN 1090-1:2009+A1:2011**

under system 2+ are applied and that

**the factory production control fulfils all  
the prescribed requirements set out above.**

This certificate was first issued on 25.06.2013 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly and latest on 01.10.2023, provided the certificate is listed on [www.sintefcertification.no](http://www.sintefcertification.no).
